

Kim Wilkerson Memorial Scholarship Application Form

One Community. Many Hearts. Unlimited Impact.™

The Kim Wilkerson Memorial Scholarship is awarded annually to a student who has demonstrated desire and persistence in learning math, at any level, throughout their high school years.

Kim was a graduate of Broomfield High School, class of 1974. She returned to BHS as a math teacher in 1993 and committed herself completely to educating math students, at all levels, until her untimely death in 1999. She was also active in many extracurricular student activities because she believed supporting her students outside the classroom was as important as supporting them inside. The combination of her passion for mathematics and her love for teaching math to anyone who wanted to learn it is the legacy for which this scholarship was created.

Candidates for this scholarship do not have to demonstrate intent to continue in the field of mathematics in post graduate study, but must attend an institution of higher learning.

Application procedure: The completed form must be returned to the Broomfield High School counseling office no later than *March 2, 2018*.

Selection: Final selection of scholarship winner will be announced at the Senior Awards Night.

Scholarship Amount: \$1,000 (one time scholarship)

Please type answers to the questions below on a separate page.

Name _____ Date of Birth _____

Address _____

Phone _____ Email _____
